

## Pine Brook Camp

July was a very busy month! All of the sites had a chance to go to Pine Brook Camp in Shutesbury, where they had the opportunity to do the ropes course and participate in team building activities.

All of the sites had the opportunity to go on a hike this month, on Mount Tom, where they got to enjoy the trails and climbing to the top of the fire tower.

## Hip Hop

Children from Moxon and Duggan are participating in an 8 week dance program where they are learning new dances in a private group lesson. This is an activity they look forward to every Friday!

## Safety Awareness Day

In light of recent events of strangers in the area trying to lure children away ADC wanted to be proactive and have a Safety Awareness Day.

Officer Bailey, former Chief of Police in Bridgeport, CT, and current chief of Police at Holyoke Community College came and discussed stranger danger, gangs, gun safety, and education to stay in school to become a police officer. The kids were very attentive and it was one of the highlights of the month.

## Springfield Community Day

Pictured below are some of ADC staff with Springfield Mayor, Dominic J. Sarno. It was a time that brought together members of the community with police and fire officials, the Hampden Sheriff's Department, The Hampden District Attorney's Office, local churches and others for Community Family Day.
